Mission Community Archives

When I have put the X in western  
Uncle Ed's new house is built. I have  
seen it yet. but they say it is  
small. Implying

Dear Ella, -  
It seems such a  
long time since we  
heard from you all  
at Pine Bend. Tell your  
mother she is to write  
soon and tell us all  
the news. We are all  
well and we hope  
you are keeping the  
same. We would be  
lonely and warm here  
now. Runny will be out  
and Memorial them?  
Just you were here to  
see our little home

*Learning copy making for me and also a  
a lovely. I shall be glad to find and copy my  
time comes from the people who  
over from Beaverton. The people who  
when we at 2. I think we will go to Beaverton to me
